MINNIE ADAMS—GUIDING STAR.

WINNERS OF CITY PARK AND CRESCENT CITY DERBYS AT NEW ORLEANS.

Fred Cook's Filly Shows a Splendid Performance—
Sam Hildreth's Colt Under Masterful Hand—
ling Displays High Quality.

New Orleans, La., March 17.—Before a tremendous crowd and over a track that was far from its fastest, Minnie Adams won the first City Park Derby this afternoon in record time for the course from a number of the best 3-year-olds that ever went to the post at a New Orleans track. Ridden by Jockey Dave Nicol, and handled in superb fashion, Fred Cook's filly set her opponents a heart-breaking pace and won from end to end. The story of the race is told by the fractional time which was as follows: 23 $\frac{1}{2}$, 35 $\frac{1}{2}$, 48 $\frac{1}{2}$, 1:00 $\frac{1}{2}$, 1:13, 1:26, 1:39, 1:52 $\frac{1}{2}$, 2:06 $\frac{1}{2}$.

When the start came Minnie Adams began quickly and Nicol sent her right to the front. Passing the stand the first time around she had about one length's advantage. Kercheval was next to the inside rail and creeping up, with Kargut last and Monterey next. It was plainly evident this early in the running. He appeared to be laboring and was unable to raise a good gallop. Down the backstretch Minnie Adams kept up her frictionless stride, reeling off eight close to 12. Kercheval was her nearest attendant all the way. Allen was riding a good race on the latter, saving ground at every turn and nursing his mount along for a final effort in the stretch. Straightened out for the final run, Kercheval began to wear the flying leader down, but despite Allen's effort, Kercheval could never get to Minnie Adams and the latter passed the winning mark a length in the lead, amid tumultuous applause. Kercheval was second and Orbicular third, three lengths back.

The disappointment of the race was Monterey. Much was expected of this colt, but he failed utterly. Debarred a lot of hard luck in the early running and at no stage was he ever prominent. Kargut trailed his company the entire journey and was beaten off.

Guiding Star, the colt purchased some six weeks ago by Sam Hildreth from Newton Bennington, won the ninth running of the Crescent City Derby like a colt of high quality. C. R. Ellison's Lady Navarre, was the runner up and, though she was within a half length of the colt at the end, she never had a chance to beat him. From the three eighths post, where the pair hooked up, to the finish Guiding Star always had it on her by a slight margin, and she was whipped out, while the winner was only hand ridden.

Lotus Eater, which finished third, two lengths back, was the only horse in the race to suffer from what is termed bad racing luck, and that was due more to poor judgment on the part of jockey Lyne than to any other cause. For the first furlong Disobedient and Lotus Eater were running practically head and head. In the run through the stretch Guiding Star and Lady Navarre began to draw away with the colt about a neck in the lead. At the sixteenth post Sewell went to the whip and the filly did the best she could in response, she was not equal to the strain and Guiding Star maintained his advantage to the end. Lotus Eater made up considerable ground through the stretch, but he overtook the tired ones, beating Ben Hodder for third place in the closing strides. Hildreth gave "Jack" Martin a fee of \$1,000 for his ride.

An enormous crowd turned out, and the nineteen books in the ring were hopelessly inadequate to the betting demands, a goodly portion of the crowd not attempting to force its way into the jammed enclosure. "Jack" Martin leaves tomorrow for Canada to rest up prior to the Benning meeting. "Airplane" Casey got in from Los Angeles in time to see the City Park Derby run. He arrived last night and will remain over until the opening of the Benning meeting. William Hips, acting for Fred Cook, purchased of John Hyner in morning the mare Girlie, which will be shipped to Cook's farm and bred to English Lad. Rome Respass came down from Cincinnati to see the City Park Derby.

PRESERVATOR WINS THORNTON STAKES.

Wire In Unfit for the Four-Mile Contest—Favorites Defeated With Discouraging Regularity.

San Francisco, Cal., March 17.—Outsiders swept the card at Oakland this afternoon. The Stover entry was nominally favorite in the first, but lacked support and steadily receded in the betting. Toco-law's defeat by Lacene was due to Knapp's over-confidence in easing his horse when beginning the last furlong and his inability to get him to going again.

The valuable Thornton Stakes at four miles developed into a farce. The favorite Wire In, a papal unfitted and ridden by an inexperienced rider, who adopted suicidal tactics at the outset, was beaten nearly the length of the stretch by W. D. Randall's Preservator.

The racing for the day ended with a real thrilling contest, Beklighted winning a brilliant victory from Souffriere and Corn Blossom.

ASCOT'S SCANDAL-LADEN SEASON ENDS.

Changes In Officials To Be Made Next Year—Improvement In General Attendance Shown.

Los Angeles, Cal., March 17.—The Los Angeles Jockey Club's third meeting at Ascot Park ended today, but not "in a blaze of glory." There were too many signs of relief to make the familiar old phrase applicable to the closing of this season

of ninety-three scandal-laden days. The customary tossing of bouquets to officials was not indulged in today. There was no gathering of the mutual admiration society, for it is well understood that the owners of the plant have in contemplation radical changes in the official force ere another season opens and some of the dignitaries here had too much of the feel of the axe on their necks to shake hands even with themselves.

There was wonderful improvement in the attendance as compared with the previous two seasons, and had the racing been kept clean from the outset, the club would have had valuable figures backed by a multitude of supporters to offset the clamor from certain quarters against the continuance of racing in this locality. As it is, a wealth of material has been placed into the hands of the reformers. Management, indiscreetness and a lack of stiffness in the backbones of the officials is responsible for this condition of affairs. With a manager and a judge acting in concert, such a feud as that brought here by McCafferty and Durnell would have been nipped in the bud, and without any of the disastrous results that attended its belated suppression.

S. M. Williams, whose name was mentioned during the recent investigations as having had a "shaky" the best of it," and who was later warned away from Oakland because of the inconsistent running of his horses, led the winning owners with \$14,035. His brother, T. C. Williams, sent to post the greatest number of winners—twenty-nine. Borghesi, with \$8,370 to his credit, earned more than any other horse. R. McDaniel headed the jockey list in the matter of winning mounts. He scored seventy-three times. W. Miller rode sixty-eight winners.

The weather for the closing day was chilly and the recent heavy rains left the track slow. The feature race, the St. Patrick's Handicap, was won easily by James Cur's Orifene. Many of the stables here will be shipped to San Francisco during the week, while others will go to New York and to the tracks in the south.

MINISTERS SEE EVIL IN THE RACING BILL.

Withdraw Support of New York Anti-Racing Measure—Its Defeat Is Expected at Albany.

New York, March 17.—The Lansing-Cassidy Bill penalizing betting with race track inclosures as well as outside of them in this state has scant chance of becoming a law. The props were practically knocked from under the measure at the hearing before the codes committee of the Legislature at Albany, Wednesday, and the opposition is daily gathering strength. At the hearing on Wednesday, it was brought out that the bill had its origin through an intimation to Rev. Wilbur E. Crafts, of Washington, that Governor Higgins would favor such a measure if introduced. With the assistance of Anthony Comstock the bill was drawn and presented to Senator Cassidy and Assemblyman Lansing for introduction. At the outset the measure had the support of Bishop William Doane, of All Saints' Cathedral, Albany, Rev. Thomas E. Slicer, of All Souls' Church, this city, and other leading ministers and members of reform leagues and societies for the suppression of vice. Bishop Doane, on Wednesday, declared himself as emphatically opposed to the provisions of the bill and at the same time Rev. Slicer withdrew his support. These gentlemen were convinced that evil influences had inspired the bill and were operating to secure its passage through a spirit of revenge and the hope of profit ultimately. It was not shown that the suggestion to Dr. Crafts had come directly from De Lacey or any other poolroom man, but it was shown that the poolroom men had expressed a willingness to expend vast amounts to secure the passage of the bill. It was shown that under such a law the condition of affairs would be even worse than now; that while there would be no betting at the tracks the poolroom keepers and handbook men would be no less bold in violating the law than at present, and that there would certainly be more gambling in these places.

"On investigation I found that this bill, if adopted, would tend to corrupt the morals of the community rather than improve them," says Rev. Slicer. "I so reported to the committee and they gave me power to use my discretion in the matter. I withdrew my support of the measure and I think the committee will stand by my decision." All Auebach, attorney for the Jockey Club, approached me, and as a result of our talk an agreement was drawn up in which the stewards of the Jockey Club agree to do all in their power to suppress gambling, both in the city and at the racetracks. The further terms of the agreement I cannot discuss.

The Jockey Club, it is said, may undertake this season to withhold the announcement of the entries until the morning of the day on which the races are to be run and to prevent the transmission of results by wire or phone until after the entire program for the day has been decided. This would, in a great measure, lessen the interest in betting in handbooks and poolrooms. It is not improbable that this is a part of the agreement referred to by Dr. Slicer.

KING ELLSWORTH WINS OAKLAWN FEATURE.

Lowers Track Record For One and One-Sixteenth Miles—Luretta Takes the Sprint Handicap.

Hot Springs, Ark., March 17.—The weather was severely cold, but a splendid program attracted a good attendance to Oaklawn today. The sport was keen and the winners had to be extended to their utmost to gain the verdict. Favorites were beaten in five races. Radtke's followers also booked a heavy loss by his failure, for the first time during the meeting, to pilot a winner during the afternoon.

The third race, in which the best sprinters at the track met, was a hard fought contest from post to wire. Luretta, ridden by Hildebrand, landed the purse in the final stride from Pontotoc, ridden by Radtke. Pontotoc might have won, but for bumping into the fence in the last twenty yards. In this race Henry Waterson and Hyperion II. made their three-year-old debuts, but they were far from fit for a bruising race.

King Ellsworth ran to his best form in the feature race and clipped a fraction from the track record for a mile and a sixteenth, placing the new mark at 1:46 $\frac{1}{2}$. His connections won handsomely by his victory.

At an auction sale in the paddock, conducted by "Mickey" Shannon, before the racing began, the following horses from the stable of J. O. & G. H. Keene were sold: Maxim Gorky, to W. M. Jackson for \$1,600; San Ardo, to T. J. McHale for \$650; Benevole, to W. M. Jackson for \$650, and Kings-walden, to W. M. Walker for \$400.

NOTES OF THE TURF.

"Dr. Leggo, the winner of the Burns handicap, will not be seen at Oaklawn again this season," says the San Francisco Chronicle. "He is practically out of training, as it was not considered judicious to persevere with him at the present time."

"It might be a good thing for the game if a bunch of cow punchers would come to Oaklawn and shoot up the ring," says a Hot Springs dispatch to the Memphis News-Scimitar. "The strangle-hold is so prevalent that the percentage lends color to the accredited statement of syndicate. It is high time that some judicious action is taken to unfasten the fangs of the syndicate if the game is expected to thrive."

Went to post at 2:01. At post 2 minutes. Start good. Won easily; second driving. Tom Mankins was close up from the start, went into the lead in the last furlong under a hard drive and won with plenty in reserve. Arabo was coming fast at the end after being outrun in the first part of the race. Fenian showed speed, but tired at the finish. Invincible set a fast pace for over a half, but tired when the final drive came. Elastic displayed but little speed with no apparent mishaps. Il Dottore finished fast. Electric Spark was prominent at the head of the stretch, but failed to stay.
Scratched—60891 Gotowin, 102; 60864 Enverite, 105; (60955) Brookston, 104.

Winner—Ch. c. by Royal Flush III—Miza (trained by A. Zimmer).
Went to post at 2:31. At post 4 minutes. Start good. Won handily; second driving. Frank Lord was much the best, acted badly at the post and began slowly, but went to the front on the first turn and, holding the lead gamely, won going away. Colloquy followed the winner closely, but tired and only beat out Lucy Marie in a hard drive. The latter ran a good race and hung on gamely. Friction showed speed, but unexpectedly tired in the stretch. Our Own went fairly well.
Scratched—61083 Black Burn, 102.

Winner—B. h. by Himyar—Bracelet (trained by G. Land).
Went to post at 2:58. At post 2 minutes. Start good. Won driving; second the same. St. Valentine ran under restraint to the stretch, then came with a rush in the last sixteenth and just got up in time. Blennenworth was in active contention all the way and finished resolutely. Goldsmith ran a good race, but tired at the end from setting the pace. Logistilla ran below her best form. Little Scout was always outrun.
Scratched—(61022) Macy Jr., 92; (60988) Hallowmas, 97.

Winner—B. g. by Lord Esterling—Lucerne (trained by T. R. Reid).
Went to post at 3:21. At post 1 minute. Start good. Won driving; second easily. Besterling followed the leaders closely to the stretch, then finished fast, but had Celebration very close to the inside fence at the end and it seemed the latter was fouled, but a claim of foul was not allowed. Celebration was a keen contender from start to finish. Louise Macfarlan caught Rolla tiring and beat him out for third place in the final stride. The latter showed the way for seven furlongs, but failed to stay. Captain Bob ran a bad race.
Scratched—61085 Flavinny, 91.

611151 FIFTH RACE—1-8 Miles. (Track record 1:52 $\frac{1}{2}$.) The Crescent City Derby. \$5,000 added. 3-year-olds. Allowances. Net value to winner \$7,140.

Winner—B. c. by Gerolstein—Samoa (trained by S. C. Hildreth).
Went to post at 4:03. At post 3 minutes. Start good. Won handily; second driving. Guiding Star was skillfully handled and held in reserve until the right time came, then came on with a rush and won with something in reserve and well in hand after passing Lady Navarre and Lotus Eater at the eighth post. Lady Navarre ran a great race and had to be driven to the top of her speed to save second place. Lotus Eater was pinched off on the first turn and had to work his way through under difficulties, then finished fast and gaining. Ben Hodder showed much the most early speed, but began to quit before the turn for home was reached. James Reddick and Disobedient ran well, but were never dangerous. Hallowmas put up a fairly good performance.
Scratched—61150 Rolla, 116; 60619 Goldmate, 116.

Winner—Ch. g. by Watercross—La Fleche (trained by W. H. Snyder).
Went to post at 4:35. At post 3 minutes. Start good. Won handily; second the same. Southern Cross was best at the weights today, ran a corking race and came away without trouble in the stretch run. Rapid Water was doing his best all the way and showed great speed, but tired at the end. First Premium finished fast and caught Columbia Girl tiring. The latter was raced to exhaustion by Rapid Water, but her race was a good one.

MY ONE BEST BET WEDNESDAY will be the sweetest proposition of a life time. He is in the softest spot, in fact, it could not be softer if the race was fixed. This one came to the City Park with a green reputation. John J. Ward got the quiet nudge from the owner that his last few starts were just prep for the grand slaughter that will take place Wednesday, when a fortune will be made by his victory.

20-1 Special Saturday

A stake colt that was primed for a killing last week, but for reasons known only to the trainer and myself, he was scratched and saved for the race in which he starts next Saturday. I want all clients to be prepared to bet extra heavy on these two good things, as the cleverest sharpshooters in the country are engineering the deals.

desire to draw attention to the fact that another horse, with whose training methods and stable connections they are entirely familiar with, starts at

Bennings, Monday, March 26th,

(opening day). We expect the odds to be 8 or 10 to 1, as the Washington bookmakers will discount the good form which the horse has shown prior to his shipment from California.

Last year we advertised in this very same manner, for the opening day, and sent out

Sir Brillar, 10 to 1, Won.

Strictly one horse advised, always.

We fully expect to duplicate our success of last year and desire to state that to show the racing public our good intentions, we will again reduce the price for this "Opening Day Occasional" only, same as last year, to

THREE DOLLARS.

All Occasionals in the future will be \$5.00, same as in the past, and this reduction is done strictly for the purpose of demonstration, as we desire to make as many new friends as possible for the coming season.

All remittances should be in our possession as early as possible. Allow us to start you right for the season.

NOTICE!

In case of loss our next \$5.00 occasional will be sent free. This horse must win to be charged, or you are entitled to the next winner, the terms for which are \$5.00 each.

THE NOXALL SYSTEM A WINNER

and as a safe and conservative method of turf speculation, it has no equal. The success of the system in the hands of purchasers is its best advertisement a system ever had.

The Noxall System is copyrighted and the only system sold under a positive guarantee. Your purchase money is refunded after a 30 days' trial if a loss can be shown. It has nothing in common with the many systems that have been devised, and is entirely different from anything in existence. It is devised on an entirely new theory. It does not require tips, selections or handicap figures. The plays are not based on odds, jockeys, favorites, etc. Neither does it call for plays in every race.

It can be operated at any TRACK, POOLROOM or HANDBOOK. Bury it in the ground, take it out a year from now, and it will go on PICKING THE WINNERS just the same.

SEND FOR FREE BOOKLET GIVING PARTICULARS

which will be mailed (free) on request. The Noxall System is not a gambling method of play, but earns large profits on a moderate capital. The system will average about NINE PLAYS a week at any one track. This is THE system you want to be a WINNER playing the races.
